### Welcome to Term 1!

What an exciting Week it's been for our Little Champs! A great week of Tennis fun was had by all, Coaches, children and parents alike!

Our little Champs started off a little reserved as most children do when faced with unfamiliar territory however it was fantastic to see how quickly they adapted to their new surrounds.

It was really great to see them participate laugh and just have fun as they learn the fundamentals in Term 1.

As our programs progress you will see a noticeable change in all the children as they build their confidence and become familiar with their Coaches, their new surrounds and their little friends.
